SPI SUSPECTED ENTITY PROFILE

Quick Entity Log - capture the basics first

QUICK CAPTURE

Use this page when a possible name or identity comes up. Capture the essential details and source now, then use the following pages to develop a fuller profile later.

1

QUICK ENTITY LOG

Name / identifier	Age	Born	Died	Source	Other information

2

OTHER NOTES

Exact wording, where the information came from, recording references, uncertainties or follow-up reminders

spooky.co.uk

SPI SUSPECTED ENTITY PROFILE

*

Full Entity Profile - print one copy for each suspected identity

PROFILE PURPOSE

Use this page to develop one possible identity from the quick log. Keep reported information and confirmed historical information separate.

1 CORE DETAILS

Name / identifier

Other names / spellings / aliases

Age / approx.

Born / year

Died / year

Sex / gender if reported

Occupation / role

Connection to location

Associated room(s) / area(s)

Family / relationships mentioned

2 HOW THE IDENTITY WAS DISCOVERED

Source / method

Date first recorded

How did the name / identity first arise?

Exact wording or key detail originally recorded

☐ Known beforehand

☐ Not known beforehand

☐ Some information known

☐ Unsure

3 REPORTED CHARACTERISTICS & ASSOCIATIONS

Appearance, personality, behaviour, repeated words / phrases, objects, dates or other associations

4 CURRENT PROFILE SUMMARY

What is currently being suggested or investigated?

SPI SUSPECTED ENTITY PROFILE

*

Historical Research & Verification - print with each full profile

RESEARCH SEPARATELY

A historical match can be interesting, but a matching person does not by itself establish that investigation responses originated from that person.

1 POTENTIAL HISTORICAL MATCH

Potential historical match / full name

Born / year

Died / year

Occupation

Connection to location

Why is this person being considered a possible match?

2 SOURCES CHECKED

Source / record	What was checked	Result	Reference / link / citation

3 VERIFICATION

What information was confirmed?

What information could not be verified?

What information contradicted the profile?

Other possible historical matches / alternative explanations

4 HISTORICAL ASSESSMENT

☐ Strong match

☐ Partial match

☐ Possible match

☐ Unverified

☐ Conflicting information

☐ Insufficient information
