

SPI VENUE INVESTIGATION PROFILE

Venue Details & Historical Timeline

Use this profile to keep documented history separate from stories, reported experiences and later investigation observations.

Where possible, record a source for historical claims rather than relying on repeated online or paranormal accounts.

1 VENUE DETAILS

Venue name	Town / location	
Building type	Approx. construction date	
Original use	Current use	
Researched by	Research date	Last updated

2 SIGNIFICANT DATES & CHANGES

Key historical timeline

Date / period	Event / change	Source / reference

3 HISTORICAL SUMMARY

Brief summary of the venue's documented history

SPI VENUE INVESTIGATION PROFILE

Verified History

Use this page for historically supported information only.

Folklore, ghost stories and reported experiences belong on the separate Reported Experiences page.

4

DOCUMENTED EVENTS

Historically documented events

5

MAJOR ALTERATIONS & CHANGES OF USE

Rebuilding, extensions, demolished areas, major alterations or changes of use

6

PEOPLE & AREAS OF HISTORICAL INTEREST

Historically significant people and places

People historically associated with the venue

Areas / rooms of historical interest

7

HISTORY NOTES

Additional verified history notes

SPI VENUE INVESTIGATION PROFILE

Reported Experiences

Record reported experiences without presenting them as established paranormal facts.

Where possible, distinguish first-hand witness reports from second-hand stories, folklore and repeated online claims.

Reported experience 1

Area / room

Approx. date / period

Who reported it, if known

What has reportedly happened?

Type of report

- ☐ Sound ☐ Visual ☐ Movement ☐ Touch / sensation ☐ Smell ☐ Temperature
- ☐ Equipment activation ☐ Other

Source status

- ☐ First-hand witness ☐ Second-hand account ☐ Venue staff ☐ Previous investigator
- ☐ Local tradition / folklore ☐ Online claim ☐ Source unknown

Reported more than once?

- ☐ Yes ☐ No ☐ Unknown

Source / reference

Conditions associated with the report, if known

Possible ordinary explanation already known

Reported experience 2

Area / room

Approx. date / period

Who reported it, if known

What has reportedly happened?

Type of report

- ☐ Sound ☐ Visual ☐ Movement ☐ Touch / sensation ☐ Smell ☐ Temperature
- ☐ Equipment activation ☐ Other

Source status

- ☐ First-hand witness ☐ Second-hand account ☐ Venue staff ☐ Previous investigator
- ☐ Local tradition / folklore ☐ Online claim ☐ Source unknown

Reported more than once?

- ☐ Yes ☐ No ☐ Unknown

Source / reference

Conditions associated with the report, if known

Possible ordinary explanation already known

SPI VENUE INVESTIGATION PROFILE

Sources & Research Record

Use this page to show where venue history, stories and witness information came from.

A frequently repeated claim is not the same as a verified historical fact.

8

SOURCE RECORD

Source / reference	Type	What did it support?	Date / period

9

CLAIMS THAT COULD NOT BE VERIFIED

Record important venue stories or historical claims that could not be supported by the sources checked.

10

RESEARCH NOTES

SPI VENUE INVESTIGATION PROFILE

Environmental & Building Context

Record ordinary building and environmental factors that may affect observations or equipment.

Use this alongside the SPI Baseline Survey Sheet when taking measurements at the venue.

11 BUILDING / ENVIRONMENTAL FEATURES

Known features

- | | | |
|--|---|--|
| ☐ Heating system | ☐ Plumbing / pipes | ☐ Old / loose flooring |
| ☐ Loose / moving doors | ☐ Loose windows | ☐ Stairs / structural creaks |
| ☐ Ventilation / airflow | ☐ Mechanical equipment | ☐ Refrigeration |
| ☐ Clocks / bells | ☐ Wildlife / insects | ☐ Nearby properties |
| ☐ Road traffic | ☐ Railway / vibration | ☐ Outside pedestrian activity |

12 ELECTRICAL / RADIO ENVIRONMENT

Known electrical or radio sources

- | | | |
|--|--|--|
| ☐ Wi-Fi routers | ☐ Mobile signals | ☐ CCTV |
| ☐ Security alarms | ☐ Electrical panels | ☐ Radios / transmitters |
| ☐ Bluetooth devices | ☐ Electronic lighting | ☐ Other equipment |

13 KNOWN CONDITIONS

Recurring noises / building sounds

Draughts / airflow / temperature variations

Lighting, reflections, shadows or vibration sources

SPI VENUE INVESTIGATION PROFILE

Investigation Priorities & Claims to Test

Turn venue research into practical questions and checks without assuming a paranormal explanation.

Record what could be observed, what ordinary explanations should be considered and where results are documented.

14

CLAIMS TO TEST

Area	Claim / reported experience	What could be checked?	Possible ordinary explanation

Related investigation log / result reference

15

INVESTIGATION PRIORITIES

Questions worth investigating

Areas of particular interest

16

EXPECTATION CONTEXT

Record what investigators were told before entering an area or beginning a session.

SPI VENUE INVESTIGATION PROFILE

Previous Investigations

Record previous investigation information as a report from another source, not as an established conclusion.

Where possible, note whether original notes, audio or video were available for comparison.

17 PREVIOUS INVESTIGATION INFORMATION

Previous investigation 1

Date

Investigator / group

Area

What was reported or recorded?

Original notes / audio / video available?

☐ Yes

☐ No

Source / reference

Possible ordinary explanation / review note

Previous investigation 2

Date

Investigator / group

Area

What was reported or recorded?

Original notes / audio / video available?

☐ Yes

☐ No

Source / reference

Possible ordinary explanation / review note

SPI VENUE INVESTIGATION PROFILE

Profile Updates

Use this page to correct history, add new environmental information or record new witness accounts.

Update the profile when better information becomes available rather than preserving an outdated claim.

18 PROFILE UPDATE

Investigation / update date

Updated by

Profile version

What changed?

- | | | |
|---|---|--|
| ☐ New historical information | ☐ Historical information corrected | ☐ New witness account |
| ☐ Environmental explanation identified | ☐ Additional independent report | ☐ Existing claim questioned |
| ☐ Existing claim disproved | ☐ New source added | ☐ Other |

Update details / new information

19 ADDITIONAL RESEARCH / FOLLOW-UP

Further sources to check, questions to follow up or information still unresolved

Keep history, reported experiences and investigation observations separate.

A documented historical event does not establish a paranormal explanation for a later experience.

A frequently repeated story is not necessarily historically verified.

An unexplained observation does not automatically demonstrate paranormal activity.
